Iconica Helping Steinhafels Cross the Illinois Border

Iconica has begun work on a new Steinhafels Furniture Store in Vernon Hills, Illinois. Plans for the project call for total renovation of the 105,000 square foot former EXPO Design Center building on North Milwaukee Avenue. Iconica is providing architecture, engineering and general contracting services for the project which is scheduled for completion in September 2011.

Iconica has also provided design and construction services for the Steinhafels Furniture stores in Madison, Kenosha, Menomonee Falls, and Waukesha, Wisconsin. This will be the first Illinois location for Steinhafels Furniture.

Founded in 1973, Iconica has designed and built over 300 projects totaling over seven million square feet. Iconica provides architectural, interior design, engineering (structural, electrical, plumbing and mechanical), estimating, and general contractor services for bioscience, commercial, healthcare, hospitality and multi-family housing clients.
