Iconica to Construct Office on Far West Side

Iconica just began construction on a 14,400 square foot office and education center for the Wisconsin Early Autism Project. The new facility will be located in the Old Sauk Trails Business Park and will provide therapeutic treatment for children with autism. Completion is scheduled for June 2011.

Founded in 1973, Iconica has designed and built over 300 projects totaling seven million square feet. Iconica provides architectural, interior design, engineering (structural, electrical, plumbing and mechanical), estimating, and general contracting services for bioscience, commercial, healthcare, hospitality and multifamily housing projects.
